

DUTCH DAKAR

**November 12th, 2023
Eersel, The Netherlands**

We are delighted that all the Dutch competitors will be gathering in Eersel on 12 November 2023 to celebrate their 2024 Dakar participation with the Dutch fans.

Congratulations to RacingTours for this initiative, which will enable spectators to see the Dakar vehicles in action on a secure circuit, 15 days before the vehicles boarding in Barcelona, in order to race in Saudi Arabia.

We wish you all a wonderful day.
